

# LESSONS IN GRASS

CHILDREN ARE  
NATURAL OUTDOOR EXPLORERS  
TAKE THEM OUTSIDE  
TO LEARN

## LESSONS IN GRASS — YOUR TOOLKIT FOR OUTDOOR LEARNING

We will help you teach outside

- **HOW** to get started and equipped
- **WHAT** children can discover, create and learn
- **WHERE** to teach outside, all year round
- **WHY** go out on regular basis and how to persist

### I WANT THE TOOLKIT FOR FREE

[www.lessonsingrass.cz](http://www.lessonsingrass.cz)

Our aim is to support all teachers to gain motivation, experience and tools to implement outdoor learning. We know how to teach any subject there

### TOP 14 LESSONS FOR FREE

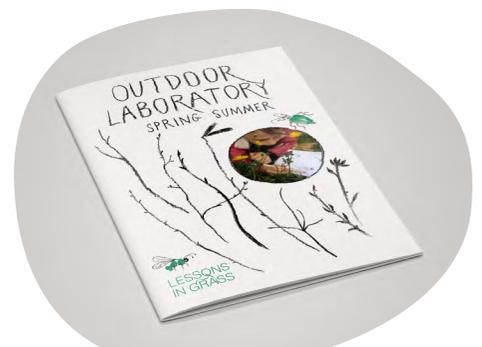

Try our most popular lessons and make yours more diverse and enjoyable.

### OUTDOOR NUMBERS E-BOOK

Discover math outdoors in a playful way! That is, learn math while playing, running and jumping.

### OUTDOOR LABORATORY E-BOOK

Make use of the biggest interactive classroom and learning becomes lively and as dynamic as the great outdoors.
